### Kingston upon Hull

One of the east coast's fastest growing and dynamic cities, Hull has plenty to offer everyone. It boasts a varied and exciting shopping experience - the glass covered **Princes Quay** and the new **St Stephen's Centre**. Here you will find a range of high street retailers and some specialist shops for that exclusive touch.

Immerse your imagination and discover the wonders of the world's oceans - visit **The Deep**. Marvel at the assortment of marine life from small and colourful exotic fish to fully grown sharks. A fun and educational day out is promised.

Into sports? Rugby League is represented with two first class teams, Hull FC and Hull Kingston Rovers. A visit to the KC Stadium will bring you up close to the 'Tigers', the newest football Premiership team. There is also cricket, golf, angling, power-boat racing and sailing in the City and many indoor leisure pursuits that include Northern England's first Olympic standard Ice Arena!

Hull's museums and art galleries offer an insight into the pioneering spirit of the people and heritage of Hull. Most of Hull's museums have free entrance, so generally your curiosity won't cost you a penny.

### The Humber Bridge

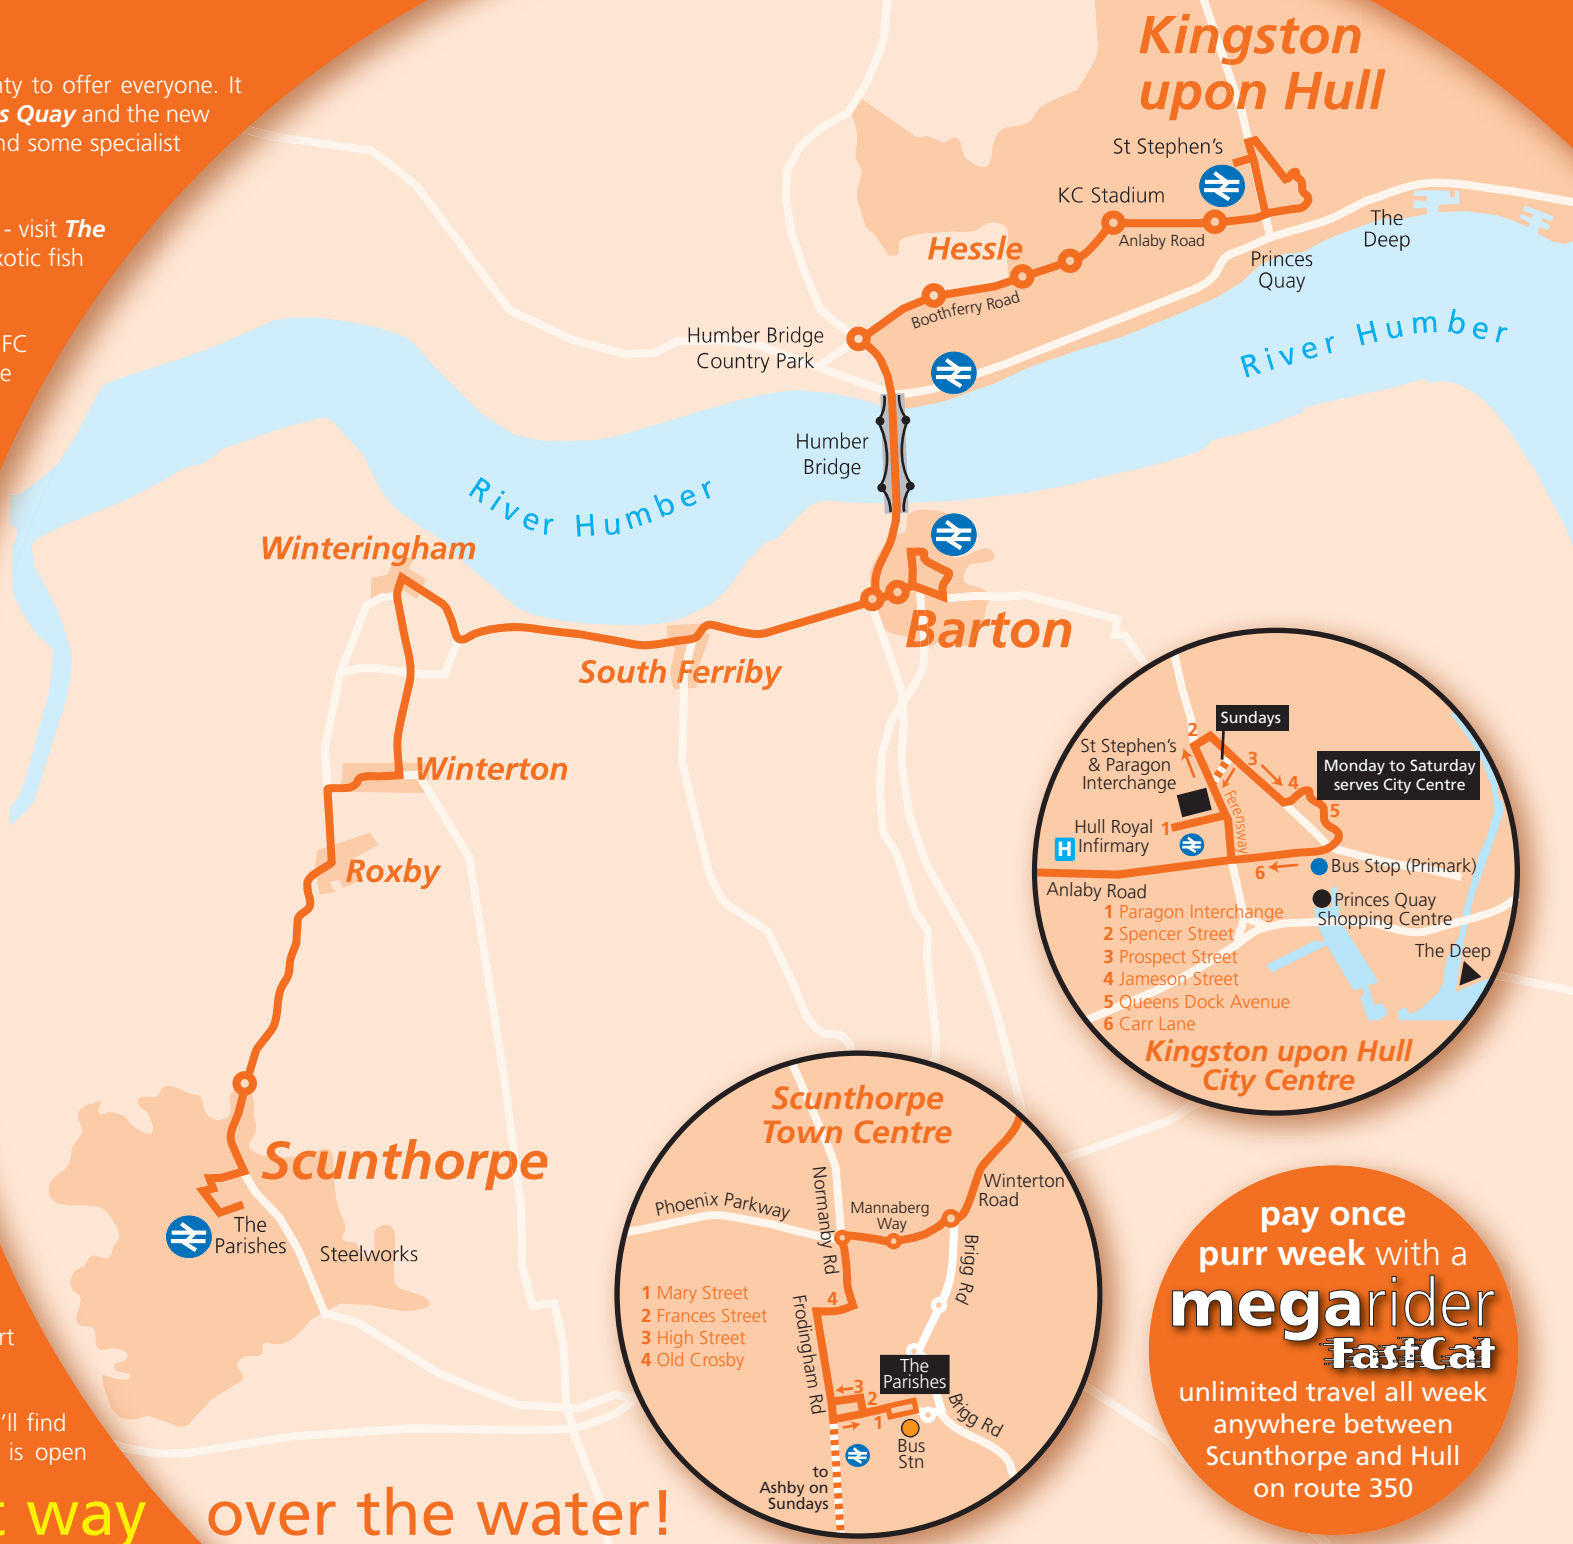

Linking the North and South banks of the river Humber, the Humber Bridge is one of the longest single span suspension bridges in the world. On the north bank you will find the **Visitor Centre**, plus the **Humber Bridge Country Park Nature Reserve**, a haven for people and wildlife set amongst woods, meadows, ponds and cliffs, with dramatic views of the river and Humber Bridge.

### Scunthorpe

A vibrant garden town noted for its beautiful parklands, including **Central Park** featuring ornamental gardens, fountain, boating lake and small woodland. Scunthorpe evolved from five small villages with the development of the **steel works** where during selected weekends you can take a tour on a restored steam locomotive, learn how technology has changed and glimpse red-hot steel being rolled in the mills.

Explore the history of North Lincolnshire through visual displays of geology, natural history, archaeology and social history at **North Lincolnshire Museum**. The **Visual Arts Centre** offers contemporary art and craft exhibitions with related events and activities.

Shopping is also popular in Scunthorpe at **The Parishes Centre** and you'll find bargains galore at the **Market** on Friday and Saturday. The food hall is open Monday to Saturday.
